Free 100 Guidelines

The purpose of utilizing our Free 100 offer is to try our service, see how you like our quality, customer service & turnaround without the commitment of sending large amounts of your photos first. This offer is for FIRST TIME clients only and cannot be used more than once.

Step 1: Print off the “Free 100” Order Form provided.

Step 2: Gather 100 photos (or 25 35mm slides) – no larger than 5x7 please.

Step 3: Enclose \$18 (check or credit card) to cover return shipping & handling (or we'll bill you).

Step 4: Use any method to ship the photos to us (USPS Priority, FedEx or UPS).

We will scan your photos within 5-7 business days and return the originals along with a standard data disc via USPS Priority Mail or FedEx Ground.

Restrictions:

- Quantity cannot exceed 100 photos/25 slides. If order exceeds free limit, the entire order will be converted to a regular non-package rate of 25 cents per scan.
- We will not process the “first 100 free” then charge normal rate for remaining amount.
- Sizes cannot be smaller than 3x3 and cannot exceed 5x7.
- No mixed media may be sent; however, 25 slides can be substituted for 100 photos if you are interested in trying our slide service.
- Do not create named groups of photos. All images will be scanned into one single folder.
- NEW (First Time) customers only. Cannot be used more than once or for prior customers.

Using your own method of shipment (with tracking), please ship to:
